

**PETITION TO THE HOUSE OF COMMONS
IN PARLIAMENT ASSEMBLED**

We, the undersigned **Citizens of Canada** draw the attention of the House to the following:

WHEREAS, the Trudeau Liberal government has declared that some small businesses such as campgrounds are “too small” to qualify for the small business tax rate, demanding tax payments at rates that are greater than those of billion-dollar corporations;

WHEREAS, some small businesses such as campgrounds across Canada have begun receiving Canada Revenue Agency reassessments as they are deemed not able to qualify for the small business tax deduction since they employ fewer than five people, and have had the misapplication of "passive" income, when the amount of work involved by these small businesses is anything but passive;

WHEREAS, the 2016 Federal Budget abruptly cancelled a promised 2015 review of these tax rules;

THEREFORE, your petitioners call upon Parliament to implement changes that ensure the hard work of these small businesses such as campgrounds are properly recognized under Canadian tax law and that they pay the same tax rate as other small businesses.
